MELGES¹⁴

Designed by Reichel/Pugh, the Melges 14 is a modern singlehanded one-design with the ability to sail with two people. With its large and open transom, there's never a need to bail. The carbon mast and boom complement its flexible sail plan with three rigs: Gold, Blue and Red. With boats in North America, Europe, Asia, Australia, New Zealand, and Africa, the Melges 14 is becoming a one-design fleet for the masses. Sailors can order a custom Melges 14 dolly, easily car top it or tow it behind any vehicle. It's a perfect beach boat, family sailboat or a one-design racing platform. It's speed, quality, durability, comfort and fun wrapped into one dynamic sailing package.
